

Wesley Matthews Elementary Community School

Community School classes are offered to afford students the opportunity to explore the arts and other enrichment activities to become well-rounded citizens. A broad range of classes are offered through the school year so that students learn different skills and/or enhance their intrinsic abilities as athletes, actors, artists and musicians. We are very proud of the high caliber of staff members who are employed in our program. They are true professionals who give of themselves to insure our students learn different skills on a daily basis.

- All classes are \$75.00
- Classes begin the week of 2/11/19 & end the week of 3/20/19
- Registrations will done online through your parent portal
- Insurance must be purchased if student is not presently in After School Care
